## MISSION

[The Mission of the United Methodist Men] is to support spiritual growth among men, helping men to mature as disciples as they encourage spiritual formation in others.

## OVERVIEW

The ministry of men in the local church is defined as a core group of men, partnering with their pastor, to invite and initiate spiritual growth opportunities for all men... Everyone has different gifts, graces, and areas of interest. Therefore, opportunities for participating would include diverse ministries of the church, such as prayer groups, missions, Bible studies, retreats, workshop/seminars, small groups in the Wesleyan tradition, leading and participating on committees, teaching Sunday school classes, youth ministries, scouting, mentoring, and assisting in leading workshop service. The focus is not inward, concentrating only on those who attend a set meeting, but outward to all men, assisting them to engage the process of spiritual.

## WHAT ARE YOU LOOKING FOR?

We look forward to sharing this weekend with men from across our district in fellowship and in learning how men's groups in the local church are making an impact in their communities. This is also an opportunity for men to get ideas and first-hand knowledge and experience on how to make their men's group grow and become a spiritual force to bring others, especially young men, to Christ and to involve them in the local men's group. Most of all, we want men to just have a weekend of fun, relaxation, and spirituality. We are excited to share our faith journey/ stories, to fellowship, to making new friends, and becoming better disciples of Jesus Christ.
